

12 Division Community Bulletin June 2011

MESSAGE FROM SUPERINTENDENT TOM RUSSELL, UNIT COMMANDER OF 12 DIVISION

Greetings, and welcome to the 12 Division Community Bulletin for June 2011.

The efforts to reduce violence by the men and women of 12 Division are community based and focused upon the work of our uniform neighbourhood officers in partnership with community members, agencies and organizations.

The Toronto Anti Violence Intervention Strategy (TAVIS) is a violence reduction and community mobilization strategy intended to reduce crime and increase safety in our neighbourhoods.

This year, over the summer of 2011, additional uniform officers will be assigned to patrol the Weston Village neighbourhood and surrounding areas on foot and bicycle. This area will include North and South of Lawrence Ave. along the Weston Road corridor.

The success of TAVIS is based on the reduction of crime, enhancement of public trust and confidence, and the building of relationships within the communities most affected by violence.

This summer presents a great opportunity for the men and women of 12 Division to build strong relationships within the Weston Village Community and local neighbourhoods surrounding it.

Regards,

Tom Russell
Superintendent
12 Division.
