SECURITY

Working Together
To Prevent Crime

The 31 Division Crime Prevention Officer is available, upon request, to deliver any of the following free 1 hour PowerPoint presentations to your group or business.

'Personal Safety'

A general presentation appropriate for teens and older. Information includes reducing opportunities for criminals, street safety, home security, neighbourhood watch and how and when to contact police.

'Safety For Seniors'

A presentation which includes elements of the Personal Safety presentation above but stresses purse snatch prevention, fraud prevention and pedestrian traffic safety.

'Internet Safety'

A talk that is geared to parents to increase their awareness of the dangers that are lurking on the internet and what they can do to protect their children.

'Street Proofing Your Child'

A talk that is geared to parents to increase their awareness of the dangers that surround their children as they grow up and how to train their children to recognize and avoid these dangers.

'Crime Prevention Tips For Professional Home Visitors'

This presentation includes the following topics: Things to consider before the visit, Planning for a successful home visit, Safety tips to and from the visit, Things to consider during the visit.
