## Crime Prevention Tips

### Going on vacation

- \* Inform a neighbour of your departure and return dates and contact phone number.
- \* Where possible, cancel all deliveries
- \* Arrange to have the lawn cut and walkways cleared
- \* Use clock timers to activate lights/radios at various intervals
- \* Have a neighbour pick up newspapers and mail
- \* Store small valuables in a safe deposit box
- \* Ensure all entry points are secured, including mail, chutes, milk chutes, garage doors and upstairs windows
- \* DO NOT leave notes indicating you are not at home

### Helpful hints

- \* Keep a record of your valuables
- \* Identify your property by engraving an identifying mark; proper identification makes it easier for the police to return personal property
- \* When engraving, hold the engraver straight up NOT on a slant
- \* The identification should be readily visible without marring the appearance of the item
- \* Be a good neighbour and report any suspicious activity to the Police

### If a crime has occurred

- \* DO NOT enter - the criminal may still be inside.
- \* Use a neighbour's phone and call the police.
- \* DO NOT touch anything or clean up until the police have inspected for evidence.
- \* Note the licence number of any suspicious vehicle.
- \* Note the description of any suspicious person(s).
